All rights reserved. No part of this book may be reproduced, in any form or by any means, without purchase of an official school building *site license*. Owners of a site license may reproduce *Exposure Computer Science* materials by means of photocopying, electronic file presentation on computer, CD or similar device. All paper or electronic reproduction must be limited for the use of computer science students or teachers, and must include this copyright page. Schools may charge a fee for the reproduction of printed materials or electronic media as long as this fee represents a reasonable, non-profit, recovery of any of the reproduction costs. *Exposure Computer Science* materials, such as textbook chapters, exercises and lab assignments may be presented on web sites that are secure from public access, such as web sites within a school's intranet or secured web sites that require password access. Chapter tests, lab tests, semester tests, any test solutions and lab assignment solutions may never be posted on any web site, even with password protection.

Owners of a site license have the right to alter any *Exposure Computer Science* materials by addition, deletion or rewording as long as this copyright page is included with the altered materials along with a statement that materials are altered, such as ***Altered 08-05-21 by Kevin Jones***, displayed immediately below the author's name. The *Exposure Computer Science, 2021 Edition* site license authorizes use and reproduction for the 2021-2022 school year.

The authors and publisher of this book have used their best efforts in preparing this book. The author and publisher make no warranty of any kind, expressed or implied, with any of the *Exposure Computer Science* materials. The nature of rapidly changing technologies, time limitations, and required deadlines are such that errors will exist in these materials.
